### Distressed Census Tracts

All of the following:

(Yes) Historically Disadvantaged Community

(≥12.6%) Greater than U.S. Poverty Rate

(<\$46,244) 67% of the U.S. Median Household Income

\*To be included in analysis, each census tract must have all three measures determined.

(If the census tract was missing any of the variables, then it was excluded from analysis.)

\*\*All data came from the Census Bureau's American Community Survey 2021 5-Year Estimates with the exception of Historically Disadvantaged Communities, which comes from U.S. Department of Transportation:
