Distressed Census Tract

Any 2 of the following:

(Yes) Historically Disadvantaged Community

(>=18.8%) At least 150% of U.S. Poverty Rate

(<\$50086) Less than 67% of U.S. Median Household Income

*To be included in analysis, each census tract must have all three measures determined.

(If the census tract was missing any of the variables, then it was excluded from analysis.)

**All data came from the Census Bureau's

American Community Survey 2022 5-Year Estimates

with the exception of Historically Disadvantaged

Communities, which comes from U.S. Department of Transportation:
