

SOUTHEAST CRESCENT REGIONAL COMMISSION

STRATEGIC GOALS

1 Invest in Critical Infrastructure

- Expand the region's basic water and sewer infrastructure to be more resilient
- Expand and improve access to affordable and reliable digital infrastructure
- Support expanded regional transportation infrastructure systems and transit services

2 Improve Health and Support Services Access and Outcomes

- Support initiatives that expand access to affordable, high-quality healthcare and services that support overall mental and physical health
- Provide support to build capacity for navigating and accessing support services

3 Strengthen Workforce Capacity

- Promote workforce development programs for local high-demand job opportunities
- Increase enrollment in and completion of critical training programs by investing in wrap-around services

4 Foster Entrepreneurial and Business Development Activities

- Support the expansion of access to business capital to support innovation, entrepreneurship, and economic equity
- Invest in programs and business opportunities that address critical challenges facing SCRC communities while providing opportunities to attract and retain talent locally

5 Expand Affordable Housing Stock and Access

- Increase access to wrap-around services and legal assistance to resolve title, heirship, land tenure, and eviction issues
- Support enrollment in and access to homebuyer programs
- Invest in efforts to improve the affordability and availability of quality housing across the region

6 Promote Environmental Conservation, Preservation, and Access

- Invest in air, water, and soil clean-up efforts that impact historically disadvantaged communities
- Preserve and expand access to the SCRC region's natural resources to increase outdoor recreation and tourism opportunities
